

## Headline: **Adviser Home and Redland Business Solutions in CPD Platform Launch – November 2015**

The new Adviser Home CPD Centre ([www.ifacpd.com](http://www.ifacpd.com)) will be a natural home for advisers and others planning, fulfilling and documenting their learning and development programmes. The service is free, independent, online and intuitive.

Adviser Home Director John Enos commented, “This is an exciting development for our business, a logical diversification aimed at helping advisers with their professional development and complementing our existing business development focus. We have been working with Redland for several months in planning this venture and we anticipate that many of our 17,000 advisers will migrate to use the new CPD Centre.

Redland Business Solutions CEO Joel Turland commented “Our CPD systems are tried and tested with over 5,000 financial adviser users and we see Adviser Home as an excellent partner bringing their wide community of advisers, a real understanding of the market, and a broad network of providers keen to offer access to their learning content.

The Adviser Home CPD Centre – in brief:

- Free to use
- Independently owned and managed
- Allows advisers to plan their learning and development throughout the year
- Let's users see if they are behind on their progress plan
- Provides access to structured learning material from a range of providers
- Users can upload learning records from outside the system including events attended etc
- Each month users receive a **free** newsletter covering Market Place developments – allowing them to maintain and validate your knowledge of market, legislative and product changes
